FOREWARD

The Johnston Baptist Woman's Missionary Union presents this history in commemoration of a century of doing God's work in missions. A history is in print of the first seventy years of associational WMU work. This current history will continue from 1972 to 2003. As in the past, we have had many capable leaders during this current thirty years who have led our ladies in many activities and achievements.

A committee was formed from associational WMU ladies, and many hours of reviewing annual meeting reports and researching data have gone into compiling this report. It is with great pride and humility that this book is produced.

"WMU – A Century in Missions" is dedicated to all the women of Johnston Baptist Association who, through their leadership, devotion and dedication have helped make their homes, their local churches and their Association effective in carrying out the mission program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

Also, we dedicate this book to our Directors of Missions during this thirty years, which were: Mr. R. W. Moore, Mr. Clyde L. Davis, Mr. Horace Ricks, and currently Mr. Kelton Hinton. We thank you for your support.

JBA Annual Meeting	

Background

WMU – Celebrating a Century in Missions! This historic moment took place on November 20, 1903, at the Selma Baptist Church. Brother C. W. Blanchard encouraged a WMU to be organized. This followed three days of organizing the Johnston County Baptist Association.

This history of Johnston Baptist WMU presents a remarkable record of achievement during its first seventy years and is recorded in a publication called “Three Score & Ten Years” written by the late Mrs. Leata Allen Barnes from Clayton.

With three Charter Societies – Selma, Smithfield, and Clayton, the WMU launched forth in a program of enlistment, mission study and mission giving. The first annual meeting was held on Thursday afternoon, November 10, 1904, in the Methodist Church of Clayton, while the Johnston County Baptist Association was meeting in the Baptist Church in Clayton.

By the fourth annual meeting other churches to join the Society were Benson, Mount Moriah, Clyde’s Chapel, Baptist Center, Four Oaks, Lee’s Chapel, Wilson’s Mills, Micro and Pisgah. Until the fifth annual meeting, the meeting was held in conjunction with the Johnston County Baptist Association annual meeting, but at this time it was decided to meet separately, thus giving more time to review and plan work. We also had a more comfortable place to meet and attendance increased. By 1912 twenty-one Societies had been organized and Mrs. C. W. Carter was the Vice-President.

During the next fourteen years, under the leadership of Mrs. B. A. Hocutt (Miss Lucile) we were introduced to reporting, quarterly meetings, seasons of prayer, State, Home and Foreign missions, systematic giving by use of envelopes, mission study classes, leadership training, mission literature, calendar of prayer, circles, Baptist World Alliance, tithing and the events of World War I.

By 1935 missionary education of young people in all churches was beginning to be organized. Programs organized were Sunbeams, Royal Ambassadors, Girls Auxiliary, and Young Womens Auxiliary. Due to an epidemic of Infantile Paralysis a period of activities was curtailed.

During the years of World War II, many changes took place. Women had begun to work in the factories and other businesses, contributing to the welfare of the country, but we had not neglected our mission program. In 1949, Johnston led the State in number of new Societies. Associational leaders for each junior organization began.

In 1955, Mrs. Mitchner’s husband passed away. In his memory she gave \$1,000 to the association to be used as a student loan fund. This money had been wisely invested. In 1999, the Scholarship Committee, Ramona Cash, Evelyn Garris and Beebe Parker, asked Mr. Frank Holding, through the Robert P. Holding Foundation, to match the funds and help us start an endowment.

When Charles & Bonnie Wiggs were appointed missionaries to Korea, Mr. Wiggs challenged the Johnston WMU to send a lay representative to Korea to view the mission work first hand and to be a guest in the Wiggs home. Each WMU was given the opportunity to nominate a person and to contribute financially. A committee selected Mrs. Loeta Powell, (the Iris lady) of Princeton. This was the first time our associational WMU had sent an “ambassador” to the foreign field.

During the first seventy years of the one-hundred years, thirteen consecrated women of Johnston Baptist Association WMU have led its women and children in Bible study, in prayer and in giving for the cause of missions.

1972-1973 Mrs. R. W. Moore

At the untimely death of Mrs. R. E. Moore, the Director, Mrs. L. R. Stanley assumed her duties when asked to do so by the nominating committee. Mrs. Moore had met with the WMU Executive Committee on the day of her accident and had laid the plans for the year 1973 - 1974.

Completed 1972-1973 - 1973-1979 Mrs. L. R. Stanley

Under the capable leadership of Mrs. R. E. Moore, the Associational WMU accepted and fulfilled its responsibility to the Baptist women and girls of the Johnston Association. She held regular quarterly meetings of the Council and officers attended the State Workshops, bringing back valuable leadership material, and presenting it at our Leadership Conferences.

All meetings were planned and executed for the growth of Christian women and girls. The association will receive the Distinguished Award at the State Convention for achievement. We are thankful for the leadership of Mrs. Moore with the aid of her husband and all the officers of the organization.

The 1973-1974 year began with the Associational Leadership Workshop being held in September at Sharon Baptist Church followed by World Day of Prayer at Four Oaks Baptist Church in November. The Johnston WMU women voiced and acted in the defeat of liquor by the drink in North Carolina.

Looking Forward

Plans are being made for the 100th Annual meeting of Johnston WMU which will be held at Watkin's Chapel church on May 22, 2004. The business session will present a vivid contrast to the one held in 1903. A Program of Events will be distributed that will contain our Prayer Calendar, minutes of last years meeting, reports from officers, age level consultants, and committee reports. The newly adopted Mitchner Scholarship Fund guidelines will be presented, as well as a recommendation to accept a revised set of Bylaws . There will be a missionary message and an interesting display of the historical material of Johnston WMU.

Over the years, WMU has had many slight organizational changes to keep us mission-focused and relevant to our continuously changing environments. These changes have all been needed and, although not wholly welcomed by all, were certainly efforts in streamlining and helping us to stay "healthy."

I am concerned, however, about the future of the WMU organization as it now exists. I am seeing more and more of our younger women "opt out" of the traditional WMU organization and "create their own" loose-knit grouping around the themes of fellowship and discipleship. I would like to see us move ourselves (as a women's organization) to become more inclusive of such emphasis in an effort to keep these younger generations of women "plugged in" to a wonderful mission-themed organization such as ours.

The reality is that in our Baptist churches today we are competing for the time and attention of our women with other women's groups such as: Beth Moore studies, Women on Faith conferences, Bible Study Fellowship, Precepts Bible Study, M.O.P.S (Mother's of Pre-Schoolers) to say nothing of the quilting groups, recreational groups and support groups dealing with weight loss or addictive behaviors. These other groups are growing rapidly while our organization is in decline. (Yes, we have had *numerical* gains in membership, but the number of churches with an active WMU has been declining for years.)

I am wondering if we could birth something new in our organization! A new arrangement for our women that would include four elements: evangelism & outreach events, discipleship offerings, ministry (to local, church folk) and missions opportunities for those outside of the church. We could expand our umbrella to include and encourage some of these items that seem to be "front burner" issues for our younger women—how to be a better wife and mother, how to juggle time constraints, how to develop a deeper spiritual life in the midst of a very hectic schedule, etc.

I am afraid that if we do not address these issues, we risk losing our audience and eventually losing the WMU organization as a whole. Remember, the only thing that is not changing is dead! (And we certainly don't want to be a nice museum piece!) Let's give the future of the WMU our very best consideration and our best, most creative thoughts, How would YOU improve what we are attempting to do?

The future of women's ministry in our association and in our churches will depend largely on what action the Associational WMU takes.

**100th Anniversary Narration
Johnston Baptist Association Annual Meeting
Selma Baptist Church
October 21, 2003**

WMU—100 Years Old in Johnston County! This historic moment took place on November 30, 1903, right here in Selma at the Selma Baptist Church. It was 4:00 o'clock on Sunday afternoon when (a man) Brother C. W. Blanchard encouraged a WMU to be organized. All of this followed three days of organizing the Johnston County Baptist Association.

Woman's Missionary Union, Auxiliary to the Southern Baptist Convention was organized in Richmond, Virginia, in 1888, after the suggestion of (a man) Rev. H. A. Tupper, D.D., Corresponding Secretary of the Foreign Mission Board. You see, he recognized and was firmly convinced that there were large possibilities in the organization of women's societies to promote the work of missions.

In Proverbs 29:18 we read, "Where there is no vision, the people perish..." Because of the vision of these two and others, organized work among missionary societies of North Carolina was started as early as 1877.

The history of the Johnston Baptist WMU presents a remarkable record of achievement during its first seventy years. These years are recorded in this book by historian Mrs. Leata Allen Barnes of Clayton, now deceased.

With three Charter Societies—Selma, Smithfield, and Clayton, the WMU launched forth in a program of enlistment, mission study, and mission giving. Having been elected Vice-President of the Woman's Central Committee (as WMU was first called), Mrs. Ashley Horne of Clayton courageously assumed responsibility. The first annual meeting was held on Thursday afternoon, November 10, 1904, at 2:00 o'clock in the Methodist Church of Clayton, while the Johnston County Baptist Association was meeting in the Baptist church in Clayton. Our churches were not large enough to accommodate both groups in 1904.

By the 4th annual meeting new societies had joined: Benson, Mount Moriah, Clyde's Chapel, Baptist Center, Four Oaks, Lee's Chapel, Wilson's Mills, Micro and Pisgah. The fifth and first separate meeting was held in Clayton, October 28, 1908. A separate meeting gave more time to review and plan work; provided a more comfortable meeting place and larger attendance. By 1912 twenty-one societies (as we were called then) had been organized and Mrs. C. W. Carter was the Vice-President.

From 1916-1930, the WMU of Johnston County was under the splendid leadership of Mrs. B. A. Hocutt. "Miss Lucile" as so many of us fondly remember, believed in reporting work well done. The accomplishments of the Union during her term of office for fourteen years would fill a volume. Some new topics heard during her term of office were: reporting, quarterly meetings, Seasons of Prayer—State, Home, Foreign missions, systematic giving by use of envelopes, mission study classes, traveling mission books library, leadership training, mission literature, calendar of prayer, circle, Ruby Campaign, Baptist World Alliance, Tithers, and World War I. Due to a change in the State WMU Commission, Mrs. Hocutt's title became Superintendent of WMU not Vice-President.

During the depression years, 1931-1936, Mrs. George E. Lovell, who came to Johnston from the Kings' Mountain Association where she had been an active Sunbeam Leader, proved herself an invaluable asset to Johnston Baptist WMU. Mrs. Lovell's husband was moderator of the Johnston Baptist Association at the same time she was Superintendent of the WMU. This husband-wife leadership has not happened before or since in the history of Johnston Baptist Association.

At each annual meeting young people were in charge of the afternoon program and great was their contribution. By 1935, missionary education of young people in all churches was being supervised by fourteen Sunbeams, four R.A., fourteen G.A. and six YWA leaders. This outstanding period of activities was curtailed by an epidemic of Infantile Paralysis.

During the annual meeting in 1936 at Mount Moriah evidence of Mrs. Lovell's talents was seen. A song for Sunbeams Anniversary written by her, was sung by Mrs. Henry Earp, accompanied by Mrs. Roy Baucom. A playlet, "Alice in Sunbeam Land" also written by her, was presented by Smithfield Sunbeams, Mrs. J. H. Wiggs and Mrs. O. E. Maynard, leaders.

Celebration continued as the WMU observed the Golden Jubilee Year 1938 under the leadership of Mrs. D. B. Oliver. Three hundred girls observed the 25th anniversary of G.A.'s with a banquet at "The Hut" in Smithfield. The G. A. Parade of Progress was good! Miss Annie Myatt, Mission Study Chairman, was very active, and was later recognized for attending fifty WMU annual asociational meetings.

During the years of World War II, Mrs. W.A. Weston and Mrs. J. E. Wilder served as superintendents. Again a World War had changed our lives and women had not "sat under the apple tree" and waited. They had gone to the factories and to other businesses and were contributing much to the welfare of our country, but we had not neglected our mission program. Some outstanding facts deserve to be mentioned. In 1949 Johnston led the state in the number of new societies. It was the beginning of associational leaders for each junior organization. The four District Leaders that came into being in 1927 to organize and foster new societies became five Group Leaders.

The word—improvement—describes Mrs. H. E. Mitchiner's term of office from 1951-1955. There were many A-1 societies, effective conferences, Seasons of Prayer and special offerings. During that period the suggestion from Southern Baptist and the North Carolina Conventions was that R.A.'s be sponsored by laymen. Mrs. Mitchner's husband passed away in 1955. In his memory she gave \$1,000 to the association to be used as a student loan fund. This money had been wisely invested and handled by Mrs. F. E. Allen of Clayton, Chairman of the committee. In 1999, Ramona Cash, Evelyn Garris and Beebe Parker, the new scholarship committee, asked Mr. Frank Holding, through the Robert P. Holding Foundation, to match the funds we had and help us start an endowment. As the WMU Mitchner Scholarship Fund is added to and grows, income from the fund will be used to give scholarships to Baptist students in our association.

Mrs. Mitchner, known as Dale, served the association as a missionary in 1955-1956. Later she returned to Georgia and in a letter from her dated October 31, 1969, she told of Stephen Law, an Indonesian student at Emory University whom she was educating to be a doctor. Johnston Baptist Association WMU sent a gift of \$100 to assist her in that worthy project.

Under the leadership of Mrs. H. O. Lanning, 1956-1960, three hundred women, lunch in hand, studied Moslems and Indians at the first association-wide Mission Study Class at Pine Level. Results of that event were: 196 classes, 2,056 attending, 2,023 persons read one or more mission study books, and gifts to missions totaled \$8,128.55. In 1958, Johnston WMU gifts reached \$10,000. After a missionary spoke on China and Thailand, Mrs. Lanning grieved that no Johnstonian was serving on 'foreign soil' and she pleaded that pastors and laymen help us enlist the unlisted.

From 1961-1972, Mrs. Doc R. Oliver, Mrs. William Barnes, Mrs. C. W. Warrick, Mrs. George Bunn and Mrs. L. R. Stanley, lead the Johnston Baptist Association WMU in years of continuing change. It was the 75th anniversary of the organization. A gift of \$110 was sent to Charles Wiggs, a native Johnstonian, the first missionary from Johnson County, who served as Business Administrator of the Wallace Memorial Hospital at Pusan, Korea—truly foreign soil. Mr. Wiggs challenged the Johnston WMU to send a lay representative to Korea to view our mission work "first hand" and to be a guest in the Wiggs home. Each WMU was given the opportunity to nominate a person and contribute financially. A committee selected Mrs. Loleta Powell (the Iris lady) of Princeton. Mrs. Powell visited the Wiggs family, observed mission work in Pusan and other points in Taiwan, Japan, Hong Kong, Hawaii and San Francisco. On her return, she reported to each church, upon invitation, giving a memorable program. This was the first time our associational WMU had sent an "Ambassador" to the foreign field.

In the first seventy of one hundred years that we celebrate tonight, thirteen consecrated women of the Johnston Baptist Association WMU have led its women and children in study, in prayer, and in giving. During this time only one person from our association had represented us as a foreign missionary. In the last thirty years we have had six appointed by the International Mission Board and one couple appointed by the North American Mission Board. At the 1983 WMU Annual Meeting, the WMU offering was given to Kelton Hinton, another young Johnstonian, to buy a guitar for his work in Togo as a part of the BSU Ministries from the University of North Carolina Chapel Hill. We know the rest of the story—Kelton, Lauri, Caleb and Zackery were missionaries to Benin, Africa. Now he is our Director of Missions in the Johnston Baptist Association. How fortunate we are to have him as our leader. The others are Jamie Letcher, Corinth Baptist Church—to Armenia; Jerry and Jo Meeks, Carter's Chapel Baptist Church—to Equatorial Guinea; Mike and Pam Osment, Selma Baptist Church—to Taiwan; Patrick Moore, Clayton First Baptist—Journeyman to South Africa and has remained; Debbie Simmons, daughter of Charles and Bonnie Wiggs—Journeyman to Japan; and Roger and Shirley Carlson, Blackmon's Grove Baptist Church—to Western North Carolina.

Tonight each church will receive the history of the last thirty years compiled by the WMU Centennial Anniversary Committee: Louise Wall, Chairperson, Jan Barry, Mary Brown, Ramona Cash, Beebe Parker and Hortense Wilkins. This committee found many changes in the last thirty years. One of the major changes has been in organizational structure. Age-levels are very similar to those in public school, which the Sunday school also adopted. Leaders became Directors; Circles became groups with Facilitators; BYW and BW became Women on Missions; YWA's are Acteens; G.S.'s are still Girls in Actions; and Sunbeams became Mission Friends. New groups are Adults on Missions, Youth on Missions and Children in Action. Though many changes have been made in the structure of WMU our purpose remains the same: to pray for and give to missions, do missions, learn about missions, develop spiritually toward a missions lifestyle, and participate in the work of the church and the denomination.

During the last thirty years we have grown from 2,330 WMU members in 1972 to 2,899 members in 2002. Our Association is divided into eight areas with Area Leaders. The WMU Leadership Team meets quarterly and once a year trains all associational WMU church leaders. Eleven directors have led the WMU Association in the last thirty years. Mrs. R. W. Moore and Mrs. Doc Oliver are deceased, but the rest are with us tonight. When I call your name please stand:

Agnes Stanley, Jan Barry, Jean Hinton, Marguerite Stevens, Jackie Jones, Ramona Cash, Beebe Parker, Linda King and Lois Carter.

Some major accomplishments during this time have been: Age-Level Rallies, Spiritual Renewal Retreats, International Mission/Lottie Moon Offering, North American Missions/Annie Armstrong Easter Offering, Focus on WMU Week, Missions Extravaganza/Annual WMU meeting at Ridgecrest, World Day of Prayer/Offering to the Woman's Department of the Baptist World Alliance, Migrant Dental and Baby Health Kits, and Christmas Red Box for women inmates at North Carolina Correctional Institute and Raleigh Correctional Center. The past five years we have given \$30,000 for the North Carolina WMU Campaign: to help renovate Mundo Vista, a facility owned and operated by North Carolina WMU, where more than 60,000 girls have experienced God, and with facility improvements and expansion, year-round camping and retreats are now being offered; to help start a Christian Woman's Job Corp, a ministry of WMU that offers the opportunity to touch the lives of countless women and their children in transition from welfare dependency to financial independence; and to help create an endowment base for WMU ministries that will support our vision for the future. Our mission involvement has included promoting social issues in PROJECT HELP, World Hunger, Aids, Child Advocacy, Violence and Restoration. We are currently involved in helping start a Christian Counseling Center in Johnston County.

Many changes have occurred that allow our local church members to participate in volunteer mission work in Johnston County, North Carolina, the United States and on foreign soil. In the last five years, volunteer participation has increased from 1,546 volunteers per year to 2,782. Within those numbers we have jumped from 104 to 483 volunteers going overseas per year. Partnerships with New York, Alaska, West Virginia, South Africa, Brazil and others have provided excellent opportunities for missions involvement. Not only in our association, but in our WMU we continue to follow the advice of Fannie E.S. Heck, the first president of the North Carolina WMU who said, "Listen to His voice and follow where Christ leads." What a Heritage!
